

Make Your Next Move An EZ Move!

NEW PRODUCT COMING SOON

EZ Moves - Carpet Furniture Slides

One set allows you to move all your heavy furniture and more! Simply tilt the object being moved, place a slide under each corner then push or pull the object with ease. Furniture is gripped by the 1/2" thick heavy duty EVA foam. The ultra smooth base has a built in dual spring action to apply upward pressure keeping the pad in place during movement. Remove when finished.

No need for adhesive. Thick foam conforms to any item placed on it, gripping furniture to keep the slides in place during movement.

Thick foam and curved base raises furniture above the carpet nap to allow free movement.

Ultra smooth base glides on most floor surfaces with ease.

Super strong base with dual spring action (curved in two directions) is engineered to apply constant upward pressure to keep slide in place.

Round rimmed edges will reduce friction and make moving from one floor surface to another easy.
