## NEW ENGLAND

New England is a stylish laminate collection, available in an inspiring range of contemporary colours. These supremely sturdy boards are longer and wider than conventional laminate with a superb textured, matte finish that authentically conveys the feel of real timber.

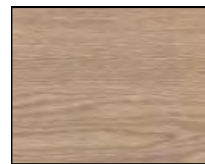

New England laminate not only convincingly suggests the appearance of premium hardwood flooring, it provides the wear and damage resistance of the strongest laminate flooring – it's a look and feel that would have you believe you're walking on a real timber floor.

Enjoy the unique and custom style of premium hardwood flooring, combined with Armstrong's clever Lock&Fold® mechanism that offers fast and simple installation.

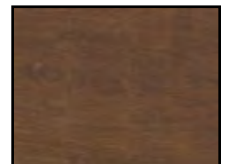

Length: 2260 mm Width: 193 mm Thickness: 12 mm
