Xtreme Woods – Performance Meets Design

In demanding environments your choice of flooring needs to be both visually appealing and durable. That's where Xtreme Woods steps in – combining the beauty of natural wood with the resilience of vinyl.

Crafted in Belgium by Beauflor, Xtreme Woods offers the perfect balance of style and strength. Its high-end European design seamlessly enhances your spaces, while standing up to the rigours of everyday use. Whether you're designing a busy hospital, a vibrant childcare centre, or a retail space, this flooring brings warmth, durability, and ease of maintenance.

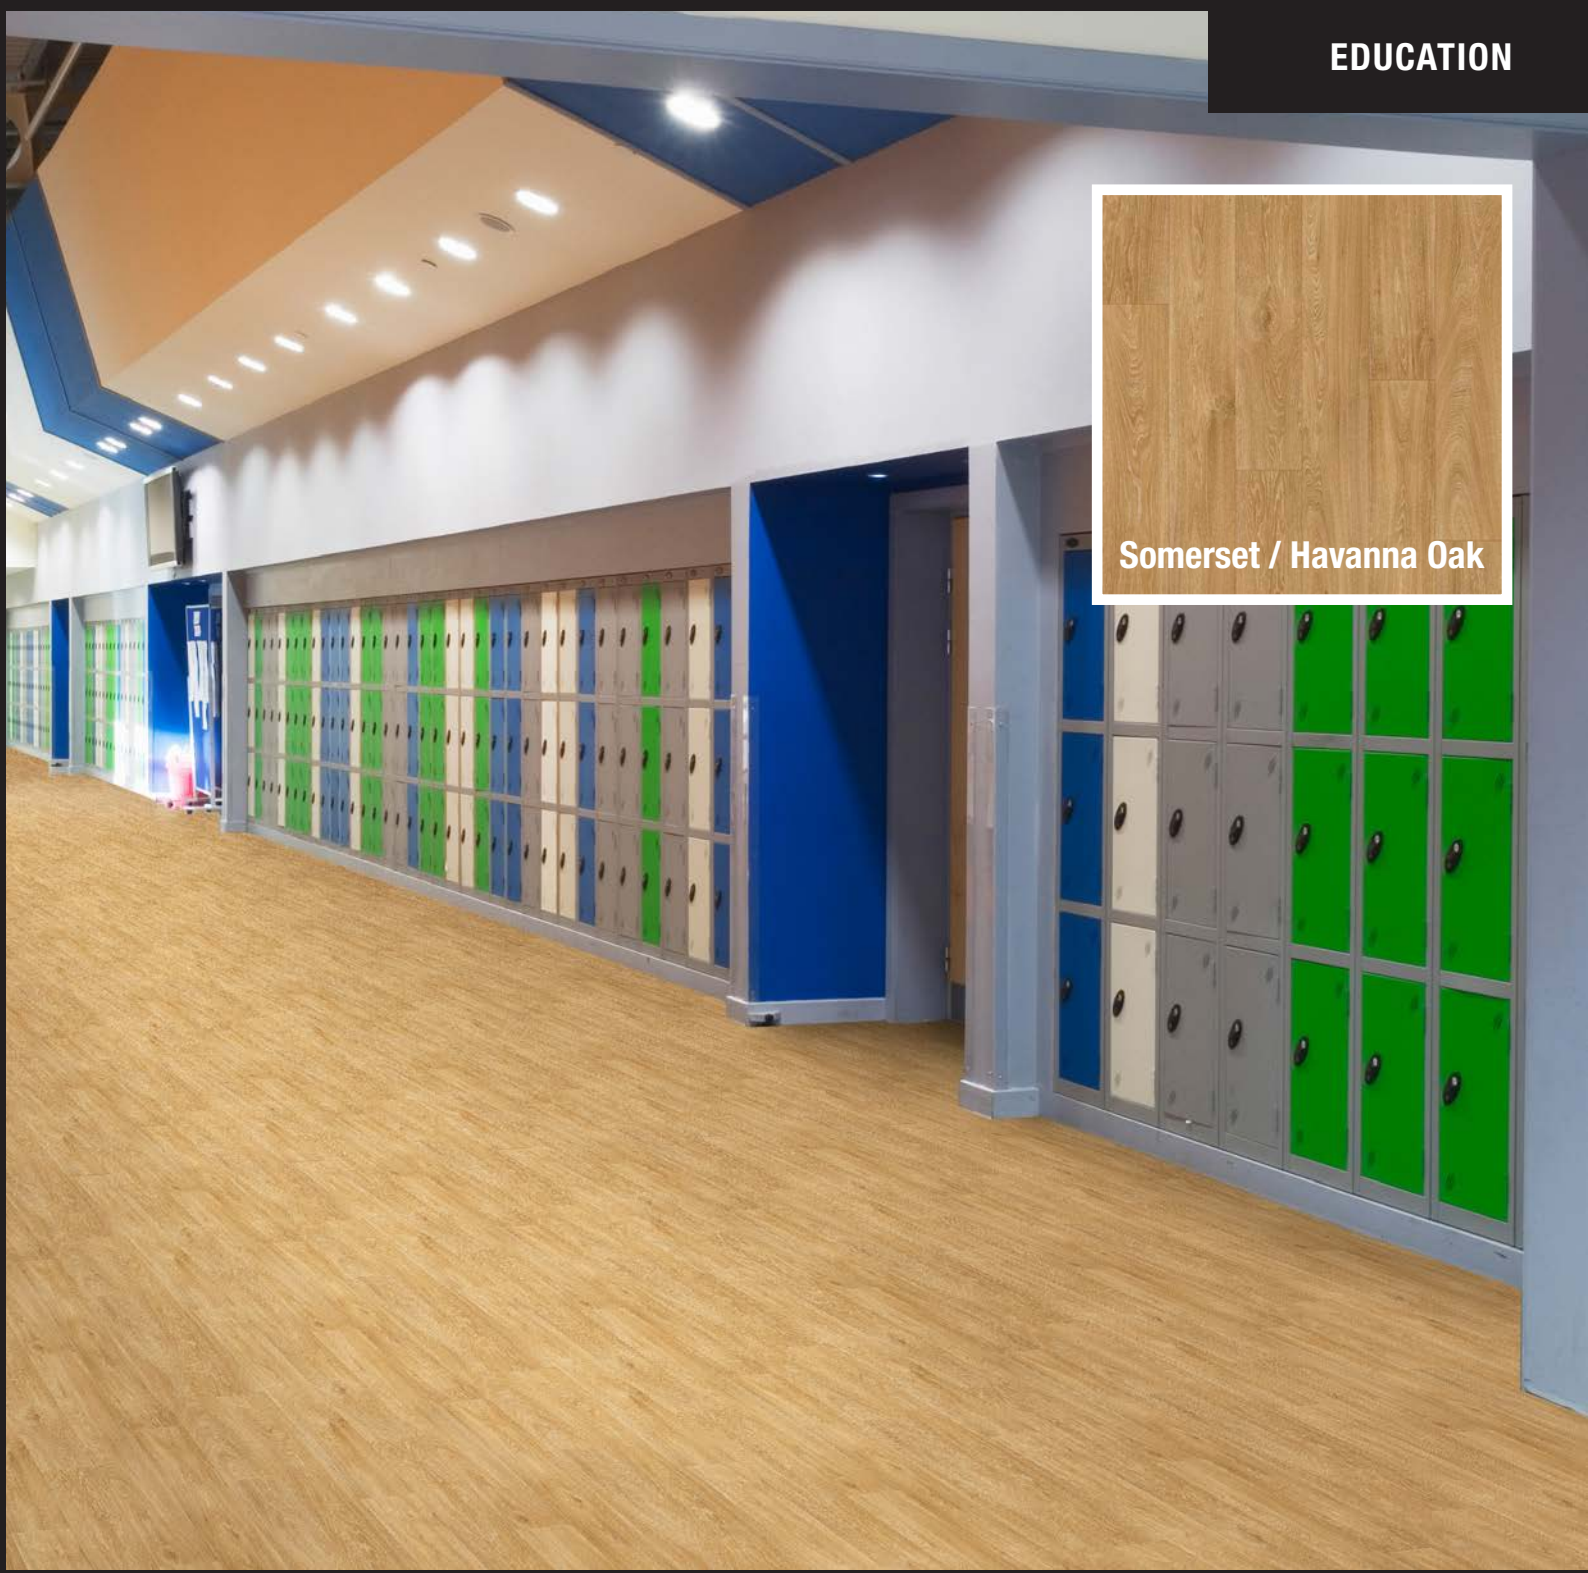

Xtreme Woods is engineered for environments that demand more – providing a surface that's comfortable underfoot, tough against wear, and visually stunning. Elevate your projects with a product that delivers both practicality and design impact, making every space feel beautiful and functional.

Interface®

True Dimensions, exclusively designed for MJS Floorcoverings, offers a refined, subtle stripe pattern available in three versatile colours—Black Caviar, Ash Grey, and Pacific Blue. Complimentary accent colours are available upon request. Perfect for foundational layouts and commercial interiors, this Australian-made carpet tile range comes in two sizes (500mm x 500mm tiles and 250mm x 1000mm planks) and is designed for easy installation in both Quarter Turn and Herringbone styles. With durable backing options and a 15-year commercial warranty, True Dimensions combines sophistication and practicality to elevate any commercial space.
